The dealings with Monrovia is a bit different. According to what I was told, it sounded like there were some Monrovia PD looky-loos. The guard house called City Hall, and I've been chatting with the Chief about it. That's why the memos have been going out. HOWEVER, I just want to make sure that MPD wasn't actually doing something important, and didn't want to tell the guard house, since there could be leaks.

Kevin,

Thank you. I didn't forget. I have asked my guys to go and gather what they can and I will remind them today. I, also, reached out to Chief Alan Sanvictores because I know his guys had problems and the security company called the station to complain about them going up there and he issued a memo to not go up there unless they had business. Those details might not be 100% correct so I am asking him to contact you too.

-Brian

Hi Brian,

I was wondering if you've made any progress with looking into the Guard House. With such information, it seems important to figure out a resolution.
